Sir:

Applicants direct the attention of the U.S. Patent and Trademark Office to the documents listed on the attached Form PTO-1449. One copy of each of these documents is attached.

This Information Disclosure Statement is being submitted after the issuance of a first official action on the merits and expiration of the three month period following the filing date or the entry in the national stage for the above-captioned application, but prior to the issuance of either a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application.

Serial No.: 09/994,829

Information Disclosure Statement Under 37 C.F.R. §1.97(c)

June 29, 2004

The undersigned hereby certifies:

☒ That each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in §1.56(c) more than three months prior to the filing of the information disclosure statement.

An English translation of the communication from the Japanese Patent Office, along with translation of the Abstract of the references cited therein are enclosed to provide the requisite statement of relevance for the attached foreign references.

The above information is presented so that the Patent and Trademark Office may, in the first instance, determine any materiality thereof to the claimed invention. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references cited in the attached Form PTO-1449 is made of record therein and appear on the first page of any patent to issue therefrom.
